AL220 Aluminium Lattice Tower, 3.4m Roof Kit with Galv. Guy Wires

AP-AL220-RTK-3.4G

Key Features

- Roof mounted aluminium tower
- Engineered to 27.9 metres in Wind Region A
- Manufactured from structural grade aluminium
- Climbable guyed mast
- Extensive AL220 accessory ecosystem

Overview

APAC's AL220-Series is an extraordinarily versatile Modular Tower System (MTS), known best for its configurability and reconfigurability throughout its service life. Aluminium roof towers are popular across UHF/VHF communications, WISP POPs, weather and climate monitoring, security and public safety.

Designed and manufactured locally in Queensland, AL220 can be built as a Roof Tower, Ground-Mounted Tower, or connected to one of many APAC Modular Platforms such as our skids, jackframes, and trailers.

The AL220 modular roof mounted tower system comprises of:

- 3.1 metre lattice tower modules stacked to your chosen height
- Multi-axis hinged base
- Guy wire kits matching your requested height
- Multi-anchor guy cleats for attaching guy wires to the roof structure.

The 3.1 m sections are easily lifted and stacked, with structural engineering certification up to 21.7 metres in Wind Region C and 27.9 metres in Wind Region A. The lattice modules feature three upright chords made from 40x3 CHS with a 25x3 CHS lattice, providing incredible strength while retaining a lightweight design that can support your technician to climb the full height.

Specification

Parameter	AP-AL220-RTK-3.4G
Physical Specifications	
System	**AL220**
Subtype	**Erexures**
Height (Nominal)	**3.4 m**
Materials	**Aluminium**
Material Finish	**Bright/Pickled Finish**
Weight	**24.3 kg**
Installation	**Roof Mounted**
Mounting	**Screw / Bolt**
Interfaces	

Installation / Attachment

Quantity	Mounting	Notes
4	Screw / Bolt	Attach Multi-Axis Base to Existing Roof Structure
6	Screw / Bolt	Attach Guy Anchor Plates to Roof

Payload Interfaces

Quantity	Interfaces	Notes
3	Pole 40 mm ⌀	For attaching ordinary equipment
1	AL220 Bolt Pattern	For attaching additional AL220 series modules/headframes
1	AL220 Triangular Uprights	For attaching AL220-specific brackets

Subcomponents

Quantity	Bundled Components
1	Multi-Axis Billet Base for AL220/AL340 Tower Series (AP-ALT-MAB)
1	AL220 Aluminium Modular Lattice Tower - Base Module (AP-AL220-BM)
1	AL220 Guy Wire Kit - Galvanised, Suit 3.4m Tower (AP-AL220-GWK-GAL-3.4)
3	Guy Wire Cleat - Multi-Anchor, Stainless Steel (AP-FST-GWCMA-SS)
