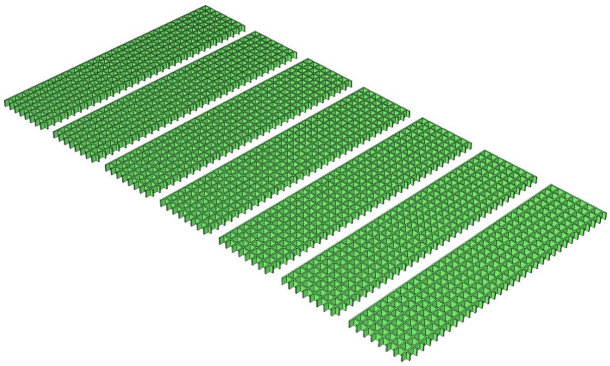
GRP Flooring for APAC Dual-Axle Alloy Modular Trailers, Factory Installation



AP-AMT-GFLDA

Key Features

- Non-Slip GRP Grating
- Factory Option for AMT Dual-Axle Trailer

Overview

This is a flooring option for the Dual Axle AMT Trailer, representing all seven GRP sections. These modules are typically fitted to the trailer as a factory option, but can also be supplied as a post-sales spare part.

The GRP moulded grating is a 38x38 IFR resin grid, with a 33 mm hole aperture. It has a 25 mm depth, RAL6010 Grass Green colouring as standard, and a Standard Grit surface finish. The trailer flooring can also be supplied Signal Yellow where requested.

The grating is attached to the AMT trailer using stainless steel L and M Clips.

Dimensions and weights below are per-module.
