Aluminium Surf Lifesaving IRB Trailer

AP-T-SLS-IRB

Key Features

- ATV wheels
- 6061-T6 structural grade aluminium chassis
- Solid 50mm galvanised axle with stainless slip over
- Stainless hardware supplied with carbon grease
- 75x50x3 drawbar & chassis
- High quality Australian made product

Overview

APAC's Surf Lifesaving trailer series are 100% designed and manufactured in Sunshine Coast, Queensland, purpose built for Surf Lifesaving clubs across Australia.

Our IRB Trailer has been developed through the consultation with a number of surf club from across the state, landing on a straight forward design that's simple and fit-for-purpose.

Its drawbar and rails are built from 75x50x3 structural grade aluminium (6061-T6), with blue slipper-rails riveted on for easy loading and unloading of the IRB.

This trailer can be customised to suit your club's specific requirements, and can also be adapted to the broader SES and emergency services communities for flood boats.
