Overview

APAC's Surf Lifesaving trailer series are 100% designed and manufactured in Sunshine Coast, Queensland, purpose built for Surf Lifesaving clubs across Australia.

Our Beach Trolley has been developed through the consultation with a number of surf club from across the state, landing on a highly versatile but simple and compact design that is budget (and grant) friendly.

Its drawbar is built from 75x50x6 structural grade aluminium (6061-T6), with a standard 50mm coupling hitch.

This trailer can be customised to suit your club's specific requirements, and can also be adapted to the broader SES and emergency services communities for flood boats.
