AL340 Guy Wire Kit - Galvanised, Suit 3.8m Tower

AP-AL340-GWK-GAL-3.8

Key Features

- Galvanised or Stainless Steel
- Choose length to match your desired AL340 tower height
- Included with AL340 RTK and GTK-Series tower kits

Overview

A guy wire kit is essential for stabilising and supporting towers, ensuring safety and structural integrity under all weather conditions. The length indicates the corresponding tower height. These kits includes the following quantities per AL340 tower section:

- **3 x 6mm Wire Rope Lengths:** These wire ropes provide the necessary tensile strength to brace the tower effectively. Galvanised as standard, stainless steel option offers enhanced corrosion resistance and longevity in coastal environments.
- **6 x Thimbles:** Used to protect the wire rope from wear and tear at connection points. They help maintain the rope's shape and prevent damage caused by friction.
- **3 x M12 Turnbuckles:** Adjustable devices that allow for tension adjustment in the guy wires, ensuring optimal tension settings and stability of the tower.
- **18 x Wire Rope Grips:** Also known as cable clamps, these grips securely fasten the wire rope sections. They ensure a firm hold of the wire, preventing slippage.
- **6 x M12 D-Shackles:** These connectors are used to attach the guy wires to anchor points on the tower and mounting surface/structure.
- **M12 45mm Bolts & Nylock Nuts:** For joining two tower sections together.

For roof-mounting we recommend adding a quantity of ~~AP-FST-GWCMA~~ based on your desired height (included in RTK kits)

Specification

Parameter	AP-AL340-GWK-GAL-3.8
Physical Specification	
System	**AL340**
Materials	**Steel**
Subcomponents	

Quantity	Bundled Components
3	Wire Rope 7x19 - 6 mm Galvanised, 10 m Length (AP-FST-WR716-6-10)
6	Wire Rope Thimble - Galvanised Steel, 6 mm (AP-FST-TH-6)
3	Turnbuckle with D-Shackles - Galvanised, M12 (AP-FST-TBDS-12)
18	Wire Rope Grip - Galvanised, 6mm Wire (AP-FST-WRG-6)
6	D-Shackle With Bolt & Split Pin - Galvanised, M12 (AP-FST-DSH-12)
18	Hex Bolt, Stainless Steel - M12 x 45mm Standard Thread (AP-FSS-HXB-M12-45)
18	Nylock Nut, Stainless Steel - M12 Standard Thread (AP-FSS-NYN-M12)
36	Flat Washer, Stainless Steel - M12 (AP-FSS-FW-M12)
